It's such a great ambience providing place. Be it just dining or grabbing a beer, the place is super chill. The music is great. They have a huge projector for streaming sports. We tried some chicken there, too tasty. They claim their chef comes from a 5 star hotel. Seems like he does a great job.

Nice traffic free area to hang out.

A lovely place, very good hospitality, the owners are quite humble. They meet and greet you in personal. The DJ is very good, u request a song that will be played. Last but not the list not to forget the rocking Kiran who is super energetic and he is there when you want. Hospitality at its best, come here to enjoy.

We had dinner at Casablanca...the fine dining room on the first floor. Sean, the manager, gave us personalized service. Pranoy Gomes, the chef, dished up some lovely fare.
